

To: Marilyn Apke (Room 4611)

Hi, Marilyn. Hope your feeling better. I miss you, Girl! We had a lot of good times together, and loads of Laughs. Remember the time we took a trip to Lousiania to visit my Aunt. You were dodging animals in road, and we stopped for a few minutes to stretch our legs. Get back in car, and you take off,

and here is poor Jenny in back,  
yelling,Mom,Mom, wait, I'm not in car yet.  
We about pee our pants..Then we get  
sunburned really bad. i can go on with some  
good stories. You hang in there, and i will be  
praying for you. Love you girl! Judy Pieper
