

To: Judy Jackson (Room 5th Floor)

I can only HOPE you are doing better. Ya Know, it is time for you to get better and move to your residence in Forsyth. Miss you and think of you often. I'll try to call sometime and see if you feel like chatting for a bit. Today (Thursday) is Groundhog Day; well, the sun is shining here. Oh well, 6 more

weeks of winter either way. Sue Hale
