

To: John Hooker (Room 6411 or 4611 ??)

Hi, Dad! Good heavens, I am sorry to hear you have to be in the hospital. I hope you are back on your feet soon. I know you have to be there for a few days, but just hang in there. You'll feel better soon I am sure. Be patient while the doctors help figure out how to help you get back to your old self. Love

you very much!
